ARTWORK ON THE COVER

The artwork on the cover, “Wake Up,” was created by Ophelia Chambliss. Chambliss has been successfully working and exhibiting as a fine artist, and lecturer, for many years. In addition to a number of solo and group exhibitions, she has participated in several distinguished juried shows. As a muralist and public artist, she has a number of notable permanent installations throughout the Commonwealth of Pennsylvania, one piece, located in Gettysburg, is noted on the Pennsylvania Historic sites and markers database.

She holds a bachelor of arts in Communication Arts and Sciences, and a masters in Communications from Penn State. She combines her visual communication with verbal and written communication to tell the story behind her work, in lectures and presentations that build an appreciation for cultural understanding. As a Penn State alumnae, she received the Alumni of the Year Award in March of 2015, and the Alumni Achievement Award in November of 2015.

She is currently an adjunct instructor at Penn State York, Harrisburg. She teaches communication in the areas of media discourse analysis, visual rhetoric, communication theory and visual communication.

In 2017, Chambliss was nominated, and confirmed, by Governor Tom Wolf as a commissioner for Pennsylvania Historical and Museum Commission. This assignment aligns with her interests in combining her visual art, the concern for representation in the public space, with her academic background in visual communication, and semiotics.

As an artist and muralist, Chambliss has shown in a number of group and solo shows across the country. She has designed and curated a number of shows in York, with the emphasis on building a broader and more diverse collection of artists, and audiences. She has a number of permanent wall murals, and free-standing steel art installations throughout central Pennsylvania. You can find more about Chambliss online.
MESSAGE FROM THE DIRECTOR

Welcome to Osher Lifelong Learning Institute (OLLI) at Penn State York’s fall semester! Each semester brings so many possibilities and this semester is no different. This semester, we are offering more than 100 courses, tours, and special events. Thank you to our Curriculum Committee who works year-round (and a year in advance) to bring you such a wide scope of courses.

In addition to the courses, tours, and events that are offered this semester, I hope that you take advantage of the opportunities outside of the classroom. Woven throughout this catalog is information about OLLI that you may not know. Please take the time to read the entire catalog. I bet you will learn something new about OLLI and perhaps join a Special Interest Group (SIG), become a volunteer committee member, discover some of the events that are planned by our Social Committee, and better understand the benefits that OLLI membership brings you.

In the past year I have tried to establish relationships with OLLI members and volunteers, staff and faculty at Penn State York, directors of other OLLIs, as well as members and leaders within the York community. The OLLI Leadership Committee has been instrumental in assisting me in finding a balance between member happiness and a more effective and efficient OLLI. I am pleased with the progress that has been made but know that we can continuously evolve for the better. I now have a better understanding about OLLI’s past ten years and have begun to cultivate what works well and make changes to that which does not serve in OLLI’s best interest. Some of the major wins of the past year include Penn State York allowing us access to larger classrooms to decrease those who are wait listed, new OLLI swag (notepads, car magnets, and golf shirts), an updated newsletter and website, a dedicated Speakers’ Bureau, our Give Local York campaign, and most importantly, a group of dedicated OLLI members and volunteers who seem reinvigorated and enthusiastic to learn.

However, with the fun comes the necessary. To streamline some procedures and make OLLI more cost-efficient, we have highlighted some new policies and practices throughout the catalog. Also included are detailed instructions for how to use our website to renew your membership, register for classes, and see what courses you are registered for. If more OLLI members utilize our online system, we could cut down costs and drastically increase time that our office has available to focus on other OLLI tasks. I understand that some OLLI members do not use or have computers. Registration and membership renewal through our online system is encouraged, not required.

Again, please take the time to read through this catalog, save it, and share a copy with friends, it is a great reference. In addition, stay current with what is happening at OLLI by reading our weekly e-newsletter or requesting a printed copy from the office. OLLI has so much to offer our members, I hope you take full advantage!

Cordially,
Jennifer Geubtner-May

OLLI at Penn State York now has a Facebook page that is regularly updated. Go ahead and “Follow” us! @OLLIPennStateYork
ABOUT OLLI

For adults who never stop experiencing life, there is a place and a community
that celebrates learning in a relaxed and accepting environment. We invite
you to join us in a learning adventure through the Osher Lifelong Learning
Institute at Penn State York (OLLI at Penn State York). OLLI is open to all
adults who love to learn.

Founders of The Osher Lifelong Learning Institute (OLLI) at Penn State York
Through the efforts of three like-minded women (clockwise from left, the
late Charmaine Kissinger, Olive Padden and the late Gussie Petron) and
several other volunteers, the Osher Lifelong Learning Institute (OLLI)

What is OLLI at Penn State York?
OLLI at Penn State York is a volunteer-driven organization established to
enrich the lives of mature adults living in York County by providing a variety
of educational and social activities. We are one of more than 122 lifelong learning institutes across the nation
that is partially supported by an endowment from the Bernard Osher Foundation. OLLI currently has 650
members and this semester is offering more than ninety courses and seven tours or special events.

How does OLLI at Penn State York work?
OLLI at Penn State York is a membership organization. Members may participate in any of the OLLI activities,
which include courses and special events. OLLI activities usually take place during the day. They are designed
for pure enjoyment, and there are no requirements, exams, or grades. All activities are designed by members
for members.

What are the fees for OLLI at Penn State York?
Because OLLI at Penn State York is largely volunteer-run, the fees are kept low. Membership dues are $50 per
year and are required for many courses. OLLI members' course and events fees vary according to the length in
sessions, cost of course materials, and sometimes due to admission tickets. See course descriptions for fee
details. Single-session courses are $8 for members. Nonmembers may take up to three one-session courses
for $15 a course. After three courses as a nonmember, you must become an OLLI member to continue to take
courses in the fall and spring semesters. Bus trips costs range from approximately $60 to $100 and are open
to members and nonmembers.

Where do OLLI at Penn State York activities take place?
Most OLLI at Penn State York activities take place on the Penn State York campus.

What does volunteer-driven mean?
OLLI at York has two full-time staff, a director and an administrative assistant. OLLI members and volunteer
instructors are the heartbeat of the institute and are the reason it continues to thrive while keeping fees low.
OLLI members can choose from a variety of volunteer opportunities. For example, they may help in our office,
teach a course, serve on a committee, as a class coordinator, or in a leadership position. Participation is
flexible, allowing members to contribute as their schedules permit. If you are interested in volunteering with
OLLI, see page 20 with volunteer opportunities or call our office, 717-771-4015.

d. New policy: At the end of each semester, all credits will be given back to you. We will no longer hold credit indefinitely. If you registered with a credit card, you will receive a refund as soon as you cancel a course. If you paid by check, you will receive a check shortly after the semester ends.

6. Wait list:

a. We are attempting to decrease the number of individuals who are put on a wait list. However, this will still occur at times. If you cannot attend a course for which you are registered, please call and let us know so we may add someone from the wait list. If you are on a wait list and a seat opens, our office will email and call the first on the list. If we do not get a response in 48 hours, we will call the next person on the list.

7. Classroom Directions:

RESPONSIBILITIES OF LIVING BEYOND SIMPLE ADULTHOOD

We often hear about the rights of older people. But does being older also entail special responsibilities? The study of biology teaches us that most species in the insect, plant, and animal world basically live to reproduce. They die shortly after reaching adulthood and the time for reproduction ends. Humans can live forty or fifty years beyond simple adulthood. Why? Is it to retire and enjoy life, or is this time needed to fulfill special responsibilities?

**FLIGHT 93 MEMORIAL AND QUECREEK MINE RESCUE SITE – TWO TOURS IN ONE DAY**

Because of the quick and determined actions of the passengers and crew, Flight 93 was the only one of four hijacked aircraft that failed to reach the terrorists’ intended target that day. The passengers and crew showed unity, courage, and defiance in the face of adversity. This memorial honors the actions of the passengers and crew.

At the Quecreek Mine, visitors are invited to visit the rescue site where you can walk right up to the rescue shaft where the miners emerged from the dark, cold mine 240 feet below after 77 hours of frigid darkness. Hear the story of the miracle from people personally involved in the rescue. You can even touch the rescue capsule and try to imagine how it would feel to squeeze into it with your strength nearly gone.

* There will be walking involved at both locations.

### MEMBERSHIP ASSISTANCE AVAILABLE
Sometimes life happens, and it can cost more than we expected. If your budget is feeling a pinch, and that’s keeping you from registering for a class or event, we can help. The generosity of some of our members has made it possible for us to provide assistance. The process is easy. Just tell the director that you’d like to use some membership assistance money. We don’t ask for proof of need and we won’t ask any questions. Just ask, we want to see you in class!

### OLLI LIBRARY
We have a small lending library in the OLLI office. Please feel free to drop in before or after class to browse. No library card is necessary.

### SPECIAL INTEREST GROUPS (SIGs)
OLLI’s Special Interest Groups (SIGs) typically evolve from courses whose participants decide to continue meeting on a regular basis to further pursue their area of study or interest. SIGs are open to all OLLI members who wish to join. Be sure to contact OLLI if you have any suggestions for a group of special interest to you!

#### Knitting SIG
The Knitting Group meets every Thursday at 1:00 p.m. unless the campus is closed. All levels of knitting and crochet are welcome. This group is very informal but does send out a weekly reminder to those who regularly attend. Sometimes only two people come, other times there can be as many as ten or twelve! The group typically meets in the Pullo Family Performing Arts Center. Inquiries can be directed to Judy Leece at leecesfleeces@yahoo.com.

#### Mahjong SIG
The Mahjong group meets every Wednesday afternoon from 1:00-3:00 p.m. at the Galleria Shopping Mall food court. All levels of play are welcome. Open to anyone that knows the basics and is willing to learn. Inquiries can be directed to Becky Senft, bsenft@juno.com.

#### Cycling SIG
This is one of our newest SIGs, having just begun in summer 2019. Inquiries can be directed to Phil Shar at pmshar1@hotmail.com.

#### Walking/Hiking SIG
This is another new SIG in summer 2019. Inquiries can be directed to Pat McGrath at patmcgrath1344@outlook.com.

**ACKNOWLEDGEMENT OF RISK, RELEASE OF LIABILITY, AND VIDEO/PHOTO CONSENT**

I affirm that I am freely and willingly participating in the programming and activities offered by the Osher Lifelong Learning Institute at The Pennsylvania State University ("Program"). In consideration of my participation in the Program, I agree, on behalf of myself and my executors, heirs, assigns, and any other person claiming by, under, or through me, as follows:

1. I understand and acknowledge that participating in the Program activities involves certain risks (some of which I may not fully appreciate) and that injuries, death, property damage or other harm could occur to me or others. I recognize that I have the option to not participate in these activities instead of encountering these inherent risks. I knowingly and voluntarily accept, incur and assume all risks of any injuries, damages, or harm which arise during or result from my participation in the Program, even if arising from the negligence of the program or others.

2. I consent to The Pennsylvania State University ("Penn State"), its trustees, affiliates, officers, employees, agents (collectively, "Penn State Representatives"), to photograph, video record, or audio record me engaging in activities at the Program (the "Materials"). Without expectation of compensation or other remuneration, now or in the future, I hereby grant Penn State, the irrevocable right and license to use, reproduce, adapt, modify, distribute, display or otherwise exploit the Materials for promotional or educational purposes.

3. I hereby release and forever discharge Penn State, Penn State Representatives and their insurers of any responsibility or liability of any nature to me for any personal injuries, death, property damage, other harm that I may suffer or incur either directly or indirectly as a result of my participation in the Program or use of the Materials.

I HAVE CAREFULLY READ AND REVIEWED THIS ACKNOWLEDGEMENT OF RISK, RELEASE OF LIABILITY, AND VIDEO/PHOTOGRAPH CONSENT. I UNDERSTAND IT FULLY AND I EXECUTE IT VOLUNTARILY WITH THE INTENT TO BE LEGALLY BOUND.
