ARTWORK ON THE COVER

Ellen Engdahl Ehlenbeck is an artist and a teacher with a B.F.A. in painting and an M.F.A. in graphic design. She currently teaches at Harrisburg Area Community College (HACC), Creative York, and senior living communities. She is active in the local art scene, passionate about art history, and an enthusiastic supporter of downtown York. Ehlenbeck is teaching a series for OLLI this fall, It's All About Her - Modern and Contemporary Women Artists. Look for it in this catalog!
MESSAGE FROM THE DIRECTOR

When I wrote this message for our last catalog in spring, who would have imagined the changes we have seen in the world, our country, our communities, and OLLI at Penn State York. To say that we all have been challenged emotionally, physically, mentally, and even spiritually is an understatement.

But 2020 has revealed that many of you are extremely resilient, optimistic, and true lifelong learners. Who even knew how to Zoom in February? Who would have imagined that a daily email (Virtual OLLI) would provide education and entertainment from March through May instead of our beloved OLLI courses? Not surprisingly, the OLLI spirit of social connectedness continued through Zoom Trivia Time, OLLI Chats, and OLLI Games, and our committees continued to work with OLLI staff throughout the quarantine. Last but not least, without even leaving our homes, OLLI friends and members demonstrated their commitment to the future of OLLI with a tremendous fundraising event!

This year is not over, and we have a fantastic, in-person semester ready for our members and friends! Fall semester is going to be a time to come back together, reconnect with OLLI friends and instructors, and enjoy many of the ninety-nine courses that the curriculum committee has planned! However, COVID-19 is still a threat to our community and so we must follow CDC and the Pennsylvania State University guidelines to keep everyone as safe as possible.

The major difference this semester is our location. To ensure that we can have full courses with social distancing, we have partnered with local businesses and organizations to hold our OLLI courses. Every venue is Americans with Disabilities Act (ADA) compliant with ample parking. In addition, the OLLI office will have very limited in-person hours. Venue locations and OLLI office hours are detailed on the following page.

Thank you all for continuing to believe in the importance of OLLI and for being flexible as we navigate the changes that COVID-19 has introduced. I cannot wait to see everyone in the fall!

Cordially,
Jennifer Geubtner-May, Ed.D.
LOCATION, LOCATION, LOCATION

Due to the necessity to social distance our members, OLLI will hold our fall courses at three locations around the community. While we love to be part of the Penn State York campus, this time will enable us to create awareness about OLLI in the community. Most importantly, these venues are large enough to safely social distance our members and friends while taking OLLI courses. We are very excited to begin in-person courses again, we hope you are too!

Per the Pennsylvania State University and CDC recommendations, face masks must be worn at all OLLI courses or events.

The OLLI office was under renovation during the spring and summer. We will be back in our regular office, Room 40, Main Classroom Building, on the Penn State York campus, by mid-September. However, Penn State is encouraging staff to telecommute as much as possible and not bring guests to campus. Therefore, the OLLI office will be open only on the days and times below. These times should be used only for circumstances that cannot be resolved by phone, email, or mail. Thank you.

Tuesdays: 8:00-11:00 a.m.
Thursdays: 12:00-5:00 p.m.

*Facemasks must be worn at all times on any Penn State property or in a Penn State building.*

OLLI staff will still be available either at the venue where courses are held, by email, or phone Monday through Friday, 8:00 a.m.-5:00 p.m.
ABOUT OLLI

For adults who never stop experiencing life, there is a place and a community that celebrates learning in a relaxed and accepting environment. We invite you to join us in a learning adventure through the Osher Lifelong Learning Institute at Penn State York (OLLI at Penn State York). OLLI is open to all adults who love to learn.

Founders of The Osher Lifelong Learning Institute (OLLI) at Penn State York
Through the efforts of three like-minded women (clockwise from left, the late Charmaine Kissinger, Olive Padden, and the late Gussie Petron) and several other volunteers, the Osher Lifelong Learning Institute (OLLI) initiated an association with Penn State York. Courses began in April 2008.

What is OLLI at Penn State York?
OLLI at Penn State York was established to enrich the lives of mature adults living in York County by providing a variety of educational and social activities. We are one of more than 124 Osher Lifelong Learning Institutes across the nation that is partially supported by an endowment from the Bernard Osher Foundation. All OLLI's share two principles: (1) that courses should be for the love of learning, no tests, homework, or stress, and (2) that volunteers are the heart of the organization.

How does OLLI at Penn State York work?
OLLI at Penn State York is a membership organization. Members may participate in any of the OLLI activities, which include courses, trips, social activities, and Special Interest Groups (SIGs.) OLLI activities usually take place during the day and are held on the Penn State York campus. Please note, due to COVID-19 and social distancing guidelines, OLLI courses will be held at community venues, detailed on page 5.

What are the fees for OLLI at Penn State York?
Because OLLI at Penn State York is largely volunteer-driven, the fees are kept low. Membership dues are $50 per year and are required for many courses. OLLI members’ course and event fees vary according to the length in sessions, cost of course materials, and sometimes due to admission tickets. See course descriptions for fee details. Single-session courses are $8 for members. Nonmembers may take up to three one-session courses for $15 a course. After three courses as a nonmember, you must become an OLLI member to continue to take courses in the fall and spring semesters. Bus trips costs range from approximately $65 to $110 and are open to members and nonmembers.

What does volunteer-driven mean?
OLLI at York has two full-time staff, a director and an administrative assistant. OLLI members who volunteer, as well as our volunteer instructors, are the reason OLLI continues to thrive while keeping fees low. OLLI members can choose from a variety of volunteer opportunities. For example, they may instruct a course, serve on a committee, as a course coordinator, or in a leadership position. Participation is flexible, allowing members to contribute as their schedules permit. If you are interested in volunteering with OLLI, call our office, 717-771-4015.

MEMBERSHIP, REGISTRATION, AND GENERAL INFORMATION

Membership
1. **OLLI membership**: Dues are $50 a year on a rolling basis. A membership is valid for 365 days from the day you join. Membership can be renewed no sooner than 30 days before your current membership expires. Instructions on becoming a member or renewing your membership online are detailed below.
   a. Membership enables members to pay a reduced price ($8) for most single-session courses. Membership also entitles you to other benefits highlighted on page 38.
   b. In fall of 2019, we implemented a new policy. Nonmembers may take up to three courses, trips, and/or special events in a lifetime. After three registrations as a nonmember, you must become an OLLI member to continue to take courses in the fall and spring semesters. Summer and winter semesters do not count toward the three nonmember registrations.
2. **Becoming a member or renewing membership.** To ensure signature of the Pennsylvania State University Liability Waiver, annual membership purchases can be completed in one of two ways:
   a. To become a new member or renew your membership online:
      i. Go to our website, olli.york.psu.edu
      ii. Click the **Membership** tab
      iii. If you are new, create a User Name and Password. PLEASE WRITE IT DOWN AND SAVE IT.
      iv. If you are renewing membership, login at the top right of your screen. Click the red **Select**.
      v. You must click the "I have read and agree..." box under **Terms of Use**.
      vi. Select **New Card** if you have never paid by credit card with OLLI and complete all of the information. Select **Save This Card** so OLLI can automatically refund your card for dropped or canceled courses.
      vi. Select **Submit**
   b. To become a new member or renew your membership offline:
      i. Complete the membership information on the Course Registration Form inside this brochure.
      ii. With payment included, mail it to the Penn State address on the form.
   c. Annual Memberships CANNOT be purchased by phone.
3. Due to COVID restrictions, membership *cards and lanyards* will not be distributed this semester. Your member or nonmember status will be confirmed when you check-in for each course with the course assistant.
4. **How do I know when to renew my membership?** There are three easy ways:
   a. Look on your current membership card. It will always have your membership expiration date.
   b. OLLI will send you an email approximately 30 days before your membership expires.
   c. You can also:
      i. Go to our website, olli.york.psu.edu
      ii. Once logged in, in the top right of the screen you will see, **Hello (Your Name.)** Beside your name is an icon of a gear. Click the gear.
      iii. You will be taken to a page that will have **My Account** in a red box on the left of your screen. Click **My Account**.
         The My Account page contains your address, email, etc.
      iv. Scroll to the bottom of this page. You will see **Contacts, Addresses, My Registrations...** Click on **Memberships** and it will show you the start and end date of your current membership.

Registration
1. **Registration is required prior to all courses.** Walk-ins are not allowed.
2. **OLLI members** may register for courses two weeks prior to nonmembers.
3. **Registration for fall 2020 begins:**
   a. Tuesday, August 4, 2020, at 8:00 a.m. for members.
   b. Tuesday, August 18, 2020, at noon for nonmembers.
4. **Course fees** are detailed in **Course Offerings** under each course.
5. **How to register for courses**
   a. Go to our website, olli.york.psu.edu
   b. On the Home (first) page, scroll to the bottom. Click on the red button, **Register for Courses Online**.
   c. Login with your Username and Password at the top right of your screen.
   d. On the left, under Search Options, choose the following:
      i. **Select Semester**: **Fall 2020**
      ii. **Medium and Program Type**: Keep both at **Any**
      iii. **Day**: *This is a new feature. You can search for courses by day of the week.
      iv. If you do not want to search by day of the week, just select the red **Search** button under Programs/Bundles and all courses will be listed **alphabetically**.
      v. **Select Register** for a course you want.
      vi. If you want to register for more courses, select **Continue**. This will take you back to the list of courses where you can register for additional courses. If you look at the top of your screen, to the left of your name is a small shopping cart. As you add courses for the semester, this number will reflect how many courses you are registered for. Example: If you registered for three courses, a “3” will be beside the cart.
6. Cancellation
   a. Refunds for courses will be given in the form of credit only, no cash. Credit will only be given if you call the office at least one week before the start of the course.
   b. For a refund, multi-session courses must be canceled for all sessions. Cancellation (with refund) for particular sessions is not allowed.
   c. Because we must pay our tour/bus company based on the number of participants that originally register, refunds for bus trips will only be given if you call the office one month in advance of the trip.
   d. At the end of each semester, all credits will be given back to you. If you registered with a credit card, you will receive a refund soon after you cancel a course. If you paid by check, you will receive a check shortly after the semester ends.

7. Wait list: We are attempting to decrease the number of individuals who are put on a wait list. However, this will still occur at times. If you cannot attend a course for which you are registered, please call and let us know so we may add someone from the wait list. If you are on a wait list and a seat opens, our office will email and call the first on the list. If we do not get a response in 48 hours, we will call the next person on the list.

General Information
1. Using a credit card for OLLI courses, events, tours, and membership online. In the previous sections, instructions have been given to assist you in registering for courses and renewing your membership using a credit card. We accept Mastercard, Visa, and Discover. We have begun to encourage this for numerous reasons:
   a. When you enter your credit card online within our system and select Save this Card, you never have to do it again unless you cancel or get a new card.
   b. If you cancel a course (within seven days of the course start) you will receive a refund to your credit card within a few days.
   c. Your registration is not delayed by traveling through the mail to the University Park office.
   d. Since we will only hold credits for one semester, refunding through a credit card, versus mailing checks, saves time and money for OLLI.
2. Classroom etiquette:
   a. Cell phones off
   b. No fragrances
   c. Sign in with coordinator
   d. Respect others’ rights to hold opinions and beliefs that differ from your own.
   e. Thank your instructor
   f. Wait to have personal conversations until after class
   g. An online evaluation form will be sent within days of your course(s.) Please complete so we can plan for future courses based on your desires as well as provide instructors with feedback.
3. Inclement weather: Since we will not be on the Penn State York Campus this semester, we will abide by the policies of our host venues. It is your responsibility to check the following if there is inclement weather:
   a. OLLI at Penn State York’s Facebook page, @OLLIPennStateYork
   b. Our website, olli.york.psu.edu
   c. In the event of a two-hour delay, an email will be sent to all 11:00 a.m. class registrants informing them if the instructor is holding the class. A post will also be made on Facebook.
4. Illness: If you have an active cold or cough, please stay home and take care of yourself. If you have a fever or have knowingly been exposed to anyone who has tested positive for COVID, you must cease from coming to OLLI courses for two weeks. Thank you for keeping us all safe so that we can continue to meet in person!

THREE MILE ISLAND: WHAT HAPPENS NOW THAT IT IS CLOSED?
Three Mile Island stopped generating power in September 2019, but that does not mean the plant is idle, safe, or cost-free. Reporting by the York Daily Record and the USA Today Network shows that decommissioning of this plant and others like it will take decades, and some efforts to do that are untested and unproven.

SO WHAT’S THE DEAL WITH GLOBAL WARMING?
The politically correct term is climate change. Using the term global warming seems to exacerbate the uncomfortable debates about critical processes that are affecting the entire planet. Humanity is impaled on the horns of a dilemma. In this intense class, we will delve into the very complicated science of global warming, how we got to where we are, and where we will go from here. Can we do anything meaningful to change our trajectory?

WHY DO THEY KEEP BREAKING LOCAL NEWS?
Many of us fondly remember the newspaper we grew up with and maintain a sense that it almost never changed. The reality, however, is that local news organizations have constantly evolved as technology and readers changed. In this course we will explore the need for these changes and peer into our crystal ball to see what’s next.

FRIDAYS WITH THE MAESTRO

At the time of publication, it was uncertain whether the York Symphony Orchestra (YSO) and Music Director, Lawrence Golan, are able to hold their fall Saturday evening concerts. Rest assured, if the Symphony plays, Golan will hold his regular Friday afternoon courses for OLLI! If Fridays With the Maestro courses are able to be held, we will notify all OLLI members via email with registration details.

The OLLI office was under renovation during the spring and summer. We will be back in our regular office, Room 40, Main Classroom Building, on the Penn State York campus, by mid-September. However, Penn State is encouraging staff to telecommute as much as possible and not bring guests to campus. Therefore, the OLLI office will be open only on the days and times below. These times should be used only for circumstances that cannot be resolved by phone, email, or mail. Thank you.

Tuesdays: 8:00-11:00 a.m.
Thursdays: 12:00-5:00 p.m.

*Facemasks must be worn at all times on any Penn State property or in a Penn State building.

OLLI staff will still be available either at the venue where courses are held, by email, or phone Monday through Friday, 8:00 a.m.–5:00 p.m.

SAFETY PROTOCOLS

OLLI COVID-19 Protocols

COVID-19 is more easily transmitted through close or prolonged contact with an infected person and is more dangerous to those with underlying medical conditions. To reduce the risk of exposure for our members, OLLI has established the following protocols. All OLLI staff, instructors, and members will be expected to enforce these guidelines. The guidelines are written as they will be shared with OLLI members and partners.

OLLI WILL ENSURE THE FOLLOWING:

• All participants, instructors, and members will provide and be required to wear face coverings for the duration of programming.
• At least 6-feet will be maintained between each person.
• The number of participants per course will be dictated by the locations’ ability to social distance.
• No handouts will be provided in OLLI courses. If an instructor has handouts to share, she/he will electronically forward them to the OLLI office prior to class and the office will forward to all registrants. You can print the handouts at home if you choose to.
• OLLI at Penn State will confirm the cleaning and sanitization practices at each location conform to the CDC recommendations.
• Enhanced cleaning procedures will take place before and after each course.
• An attendance list will be maintained along with self-health check completion and contact information for all in attendance.
• OLLI will follow proper Office of General Counsel recommendations for use of a release statement or acknowledgment as communicated by Pam Driftmier.

Members and Instructors will comply with the following:

• If you have been traveling to a location that is known to have high numbers of COVID-19 cases, you will not attend an OLLI course for fourteen days following your return to your home community.
• You are required to conduct a health self-assessment which consist of two steps.
  1) Determine if you have experienced any COVID-19 symptoms (per CDC updated list): cough, shortness of breath or difficulty breathing or at least two of the following symptoms: fever – subjective fever (feeling feverish or temperature of 100°F or higher, chills, headache, sore throat, repeated shaking with chills, muscle pain, new loss of taste or smell.
  2) Check your temperature and register a temperature of less than 100°F.

As you arrive, OLLI staff will:

• Ask “Have you passed your health self-assessment?“.
• Only admit individuals who answer “yes” and record that answer on the participant check-in list. Individuals failing the self-assessment, by either answering “no” or not completing it, will be denied admittance to the program and the program fee should be refunded.
• Prior to entering an OLLI classroom wash your hands for at least 20 seconds with warm water and soap or use hand sanitizer.
• You will provide and be required to wear face coverings for the duration of programming. Specifically:
  • Indoor: Masks are to be worn at all times. You will not be permitted to enter or remain in an OLLI course if you do not have and wear a mask.
  • Outdoor: While masks are to be worn as often as possible, they may be removed during times of high physical activity, such as biking or hiking, if social distancing of at least 6 feet can be maintained between participants. If you stop for a break or discussion, masks may be worn.
• If you test positive for COVID-19 within two weeks of attending a course or event, you are to report the illness to the OLLI director as soon as possible. OLLI at Penn State will then follow Penn State’s guidelines for reporting and contact tracing.
